
"Follow me and I will make you fishers of men." - Mark 1:17

Jesus' call to *"Follow me"* is a call to all Christians! The call is in the here and now, in our present circumstances, not when we think we are "ready" or have everything in order. Good stewardship of our God-given gifts means that things aren't always going to go according to our schedule and that God has a much better plan in store for each of us.

Father Charles D. Pardee, Pastor
Father Simeon A. Etonu, Assoc. Pastor

Deacon Bob Dulle **Deacon David Thompson**
Deacon Phil Garcia **Deacon Ric Telthorst**
Deacon Tom Whalen **Deacon Thomas Fischer**

1/11 PARISH COUNCIL SUMMARY

A presentation on last July's USCCB Convocation of Catholic Leaders was given by attendee Fr. Dylan Schroeder.

There was discussion of the Advent and Christmas seasons, including Christmas Mass times, participation, and use of Selinger Center for over-flow.

Discussion continued on the Saturday Mass schedule. With the latest survey taken last Saturday, it was decided to change the Saturday Mass time to 5:15 beginning on Feb 17.

Discussion continued on the Selinger Center renovation. It was decided to complete the work as proposed ($450,000), paying for it from Facility/Property Maintenance Fund and the Estate Fund.

The proposed 2018-19 budget was discussed and approved, including the purchase of new hymnals.

Church security was briefly discussed.

It was noted that a large group of St. Peter students were going to the Pro-life March in Washington, DC

NURSE'S NOTES

How to Recognize a Heart Attack / What To Do? More than 326,000 people experience cardiac arrest outside of a hospital each year and many of them die, often because bystanders don't know how to start CPR or are afraid they'll do something wrong. Guidelines recommend that CPR be given immediately after someone collapses and continue until a defibrillator is ready to use, emergency medical services take over, or a victim starts moving.

Signs of a heart attack can include:

- Chest discomfort. Most heart attacks involve discomfort in the center of the chest that lasts more than a few minutes, or that goes away and comes back. It can feel like uncomfortable pressure, squeezing, fullness or pain.
- Discomfort in other areas of the upper body. Symptoms can include pain or discomfort in one or both arms, the back, neck, jaw or stomach.
- Shortness of breath with or without chest discomfort.
- Other signs such as breaking out in a cold sweat, nausea or lightheadedness.

As with men, women's most common heart attack symptom is chest pain or discomfort. But women are somewhat more likely than men to experience some of the other common symptoms, particularly shortness of breath, nausea/vomiting, and back or jaw pain. Even if you're not sure it's a heart attack, have it checked out. Minutes matter! Fast action can save lives — maybe your own.

An automated external defibrillator (AED) is a portable electronic device that automatically diagnoses the life-threatening cardiac arrhythmias in a patient, and is able to treat them through defibrillation, the application of electrical therapy which stops the arrhythmia, allowing the heart to reestablish an effective rhythm. With simple audio and visual commands, AEDs are designed to be simple to use for the layperson.

St. Peter Parish has three AEDs in place – one in the ramp entrance between the church and the Parish life Center; one in Selinger Center just opposite the restrooms on the main floor; and one in the school, just outside the Msgr. Lammers Gym. The key in any cardiac emergency is to recognize an emergency exists, dialing 911, beginning CPR and activating the AED. For additional information contact the parish We are considering scheduling another set of CPR/AED classes for the staff, ushers, ministers at Mass, and interested parishioners this spring – let us know if you are interested.

Please remember to pray for all our parishioners who are hospitalized, homebound or in residential care, that they be healed and comforted. Please let us know if you or a family member is hospitalized, in a care center, or homebound if you would like me to visit, pray with you or them, and assist with questions and health care concerns. You may contact me at 636-8159x369 or via email akuehn@saintpeterjc.org.

Prayer Partners January 2018 Intention:

Time is a gift of God. In this New Year, a "new time" for us, we pray for the grace to be renewed in God's love. We pray for a new beginning for the poor, the homeless, the struggling, and those forgotten. We pray for the children of undocumented immigrants and for Congress to have compassion for these innocent young people and renew the program "Deferred Action on Childhood Arrivals (DACA)". In this New Year, we pray for the graces needed to bring peace and love to our world and that the difficult times of 2017 may be healed in 2018. We ask Mary to be our companion on our journey through this coming year.
