Attention all ushers. The Mass count during the weekends is to remain in effect until July of 2024 in all parishes, including ours by the request of the Diocese for pastoral planning. Please be diligent in keeping track of Mass attendance numbers.

TO BE AN "ACTIVE" CATHOLIC STEWARD MEANS:

- To Pray: that is, attend Mass faithfully in the parish on weekends and Holy Days.
- To Participate: that is, to use one's time and talents to strengthen the parish community and advance the Gospel.
- To Sacrificially Give: that is, pledge and remain current on a tithe of financial first fruits to support the life and ministries of the parish. The goal is 8% to the parish and 2% to other worthy charities.

The Jefferson City Civil Pilots: From Lincoln University to Tuskegee Airmen

Thursday, January 18, 2024, 7 p.m.

Both in-person and streaming on Facebook Live
www.facebook.com/missouristatearchives/live

Missouri State Archives, 600 W. Main St., Jefferson City

Aviation captivated young men before World War II, regardless of their skin color. But few Black enthusiasts had access, means or opportunity until the Civil Pilot Training program. Lincoln University of Missouri and the old Jefferson Airfield offered the only program west of the Mississippi River exclusively for Black pilots. Fulfilling the dream of the school's founders, many successful Lincolinites joined the Tuskegee Airmen, the U.S. military's first Black aviation units. Wendell Pruitt's aerial acrobatics were legendary, and Wilbur Long was one of twenty-two to survive Nazi POW camps. Clovis Bordeaux went on to be one of the first Black rocket scientists, and Charles Anderson became a pioneer in satellite meteorology. Michelle Brooks explores Lincoln's men and moments in their pursuit of Double Victory.

This program is funded through the MO Humanities Speakers Bureau Program.

THE ST. PETER CONFERENCE OF THE SOCIETY OF SAINT VINCENT DE PAUL strives to provide support for the poor and needy in ways that are underserved by other organizations. Our goal is to be as generous as possible within our means without duplicating assistance already being provided by other organizations. So far that includes:

- Help prevent utilities from being disconnected. Having electric, gas, or water service disconnected has a domino effect; without electricity or water the home becomes uninhabitable. Families may become separated as children may be removed from the home. Not having utilities usually breaks the rental lease and the family may become homeless. By stepping in to prevent disconnection we help prevent further crises for the family being served.
- Provide basic twin size mattresses with priority given to children. Many of the people we help have had to move recently and, with no truck available, leave many possessions behind. Mattresses are particularly difficult to move without a truck and so many end up sleeping directly on the floor.
- Other types of assistance may be given, but these are the most common.

For assistance contact our all volunteer line at (573) 632.2634.

SHROUD OF TURIN PRESENTATION

On Wednesday, January 3, 2024, Fr. Andrew Dalton will be at the Cathedral of St. Joseph to give two presentations on the Shroud of Turin, the burial cloth of Jesus Christ. Both of these presentations will be held in Cana Hall and will contain the same information. The first session will be held in Cana Hall from 2:00 - 4:00 p.m. The second session will be held in Cana Hall from 7:00 to 9:00 p.m. Fr. Dalton is an American priest who now teaches at the Pontifical University in Rome.
