MASS INTENTIONS

There is inestimable value in the offering of Holy Mass. Our Catholic faith has a long and wonderful tradition of having Masses offered for our loved ones living and deceased. If you wish to have a Mass or Masses offered for a loved one, contact our Parish Office at (573) 636-8159.

TO BE AN "ACTIVE" CATHOLIC STEWARD MEANS:

- **To Pray:** that is, attend Mass faithfully in the parish on weekends and Holy Days.
- **To Participate:** that is, to use one's time and talents to strengthen the parish community and advance the Gospel.
- **To Sacrificially Give:** that is, pledge and remain current on a tithe of financial first fruits to support the life and ministries of the parish. The goal is 8% to the parish and 2% to other worthy charities.

SACRAMENTAL LIFE

Holy Matrimony

The first step in planning a wedding at St. Peter is to contact the Pastor. You may call to check available dates beforehand, but the wedding can only be scheduled after approval by the priest and *at least a minimum of six months* prior to the proposed wedding date. Any Catholic being married needs to have received the Sacrament of Confirmation.

Baptism

Parental preparation is required for a child to be baptized. Please plan to attend the required class prior to your child's birth. Sessions are usually held once a quarter. Please call the Parish Office to sign up.

Anointing of the Sick

If you are preparing for surgery, please let our priests know before you go to the hospital. Because of COVID-19, the possibility of receiving the Anointing of the Sick after you've been admitted to hospital is not guaranteed.

Catholic Inquiry and Faith Formation (formerly R.C.I.A.)

Inquiry sessions for those interested in joining the Catholic Church and receiving the Sacraments of Baptism, Confirmation and the Holy Eucharist began on September 12, 2022 at 6:30 pm in Msgr. Hoog Hall. Please contact Deacon Ric Telthorst at (573) 690-0730 or deacontelthorst@gmail.com for more information.

As a diocese, we are committed to breaking the silence of abuse. When someone is reporting abuse, we must acknowledge their pain and how difficult it is to talk about it. False allegations are very rare. Our initial response to someone who is disclosing abuse for the first time must be compassionate. Those who need to report abuse are encouraged to contact our Victim's Assistance Coordinator, Jacqueline Baldwin (573-694-3199), and to make use of the appropriate State of Missouri hotline or the Attorney General's clergy abuse online form. All of this information is also on our website, under the "report abuse" tab. For those who want information, or want to convey a message to Bishop McKnight, please write us at reportabuse@diojeffcity.org. We assure you every submission is read.

ALICE KUEHN'S NURSE NOTES

SAFE DRIVING IN BAD WEATHER:

Dense Fog: Visibility can change quickly in fog. It is best to slow down, use your low-beam headlights, and leave plenty of distance between you and other vehicles.

Sun Glare: A low sun angle can make driving hazardous. Freshly fallen snow can add more glare to your drive. Have a pair of sunglasses on hand, slow down, and leave plenty of distance between you and other vehicles.

Rain with a Temperature Near Freezing: Rain, when temperatures are near freezing, can quickly become ice and make roads slick. In these conditions, slow down, don't use cruise control, and keep plenty of distance between you and other vehicles.

Snow Squalls: These short, intense bursts of snow with wind can reduce visibility and cause dangerous travel conditions. If you are caught in one, slow down, turn on your headlights and hazard lights, and try to exit the road.

Freezing Drizzle: When surface temperatures are below freezing, drizzle will form a thin layer of ice on the roads. This difficult-to-see ice can cause very dangerous travel conditions. During freezing drizzle remember to slow down, don't use cruise control, and keep your distance from other vehicles.

Flash Freeze: Even when it's not precipitating, wet roads can quickly turn icy as temperatures dip below freezing. When roads look wet in the winter, stay cautious, slow down, and don't use cruise control.

Rain After a Long Dry Stretch: Oil and debris accumulate on the road during a dry period. Once rain starts falling, roads can become slick. Slow down in these situations. For additional winter driving safety tips, visit the National Highway Safety Transportation website <https://www.nhtsa.gov/campaign/safercargov>.
