**A NOTE FROM YOUR PASTOR...**

Dear friends in Christ,

As we continue marching through the month of June, the interior restoration project in church is off to a successful start. This past Monday, demolition began on the platform on which the freestanding altar was situated. This has allowed for the HVAC duct work from various eras running under the sanctuary to be more completely assessed. From the time that I have been your pastor, I can't help but notice that both of the sacristies and the ambulatory have very insufficient heating and cooling supply ducts such that, for example, interior water lines to all three sacristy sinks froze this past winter.

With the knowledge and expertise of some of your fellow parishioners on the Parish Property Committee, the HVAC load for the church is being re-evaluated and calculated so that the new location of the air ducts will be more evenly balanced in the sanctuary and sacristies. To this end, it will also mean that parish wedding coordinators will no longer have to use cardboard to close off sanctuary diffusers in order to prevent some members of bridal parties from having vertical uplift dress issues.

The disassembly of the pews for removal to Nebraska and refurbishment also began this week. Please know that per suggestions received from some parishioners, more ADA spaces nearer the side ramp entrance will be incorporated in the overall pew layout.

Because of the amount of previously mentioned work to be performed on the HVAC duct work and the asbestos abatement process to begin on 1 July, the chapel will be closed for the time being. The Blessed Sacrament is reserved in the Selinger Centre, which will be open during the day from 7 am to 7 pm.

As always, I'll keep you informed as the efforts continue forward. Until next week – Yours in Christ, Fr. Secrist

**PARISH PASTORAL COUNCIL ELECTIONS**

Our annual election to select parishioners to serve on the St. Peter Parish Pastoral Council will be held soon. We will be electing THREE at-large representatives for a three-year term. The Parish Pastoral Council is an advisory group which works collaboratively with our pastor on issues affecting the life of our parish. Council meetings are about eight times a year.

If you are interested in being a candidate for the St. Peter Parish Pastoral Council please email Terri Haake at [cthaake@mediacombb.net](mailto:cthaake@mediacombb.net)

### **Holy Matrimony**

The first step in planning a wedding at St. Peter is to contact the Pastor. You may call to check available dates beforehand, but the wedding can only be scheduled after approval by the priest and at least a minimum of six months prior to the proposed wedding date. Any Catholic being married needs to have received the Sacrament of Confirmation.

### **Baptism**

Parental preparation is required for a child to be baptized. Please plan to attend the required class prior to your child's birth. Sessions are usually held once a quarter. Please call the Parish Office to sign up.

### **Anointing of the Sick**

If you are preparing for surgery, please let your priest know before you go to the hospital. Because of COVID-19, the possibility of receiving the Anointing of the Sick after you've been admitted to hospital is not guaranteed.

### **RCIA—Rite of Christian Initiation for Adults**

Inquiry sessions for those interested in joining the Catholic Church and receiving the Sacraments of Baptism, Confirmation and the Holy Eucharist will begin in September 2021. Please call Deacon Ric Telthorst at (573) 690-0730 or [deacontelthorst@gmail.com](mailto:deacontelthorst@gmail.com) for more information.

**ENGAGED ENCOUNTER** is a weekend with other engaged couples where an atmosphere is created in which each couple can concentrate exclusively on one another, free of the tensions, pressures

and interruptions of the world. It is designed to give engaged couples the opportunity to discuss honestly their future lives together — their strengths and weaknesses, desires, goals, ambitions, their attitudes about money, sex, family, children, their role in the church and society — in a face-to-face

way. Engaged Encounter is designed to deepen and enrich your relationship with each other. All engaged couples are welcome, including interfaith couples and those entering a second marriage. ### HISTORY OF THE INFANT JESUS OF PRAGUE

The exact origin of the Infant Jesus statue is not known. One legend says that a monk in a desolated monastery somewhere between Cordoba and Sevilla had a vision of a little boy, telling him to pray. The monk had spent several hours praying and then he made a figure of the child. Pious legends claim that the statue once belonged to Saint Teresa of Ávila.

The statue of the Infant Jesus was brought to Prague by the Spanish Duchess Marie Manriquez de Lcara. An old legend in the Lobkowicz family reports that María's mother, Doña Isabella, had been given the statue by Saint Teresa of Ávila herself. The Duchess gave the statue to her daughter Polyxena of Lobkovic as a wedding gift.

Polyxena of Lobkowicz donated the statue to the monastery of Discalced Carmelites at the church of Our Lady Victorious. Upon presenting it, the pious Princess Polyxena is reported to have said: "Venerable Fathers, I bring you my dearest possession. Honour this image and you shall never want."

The statue was placed in the oratory of the monastery of Our Lady of Victory, Prague, where special devotions to Jesus were offered before it twice a day. The Carmelite novices professed their vow of poverty in the presence of the Divine Infant. Upon hearing of the Carmelites' devotions and needs, the Emperor Ferdinand II of the House of Habsburg sent along 2,000 florins and a monthly stipend for their support.

On November 15, 1631 the army of King Gustavus Adolphus of Sweden took possession of Bohemia's capital city. The Carmelite friary was plundered and the image of the Infant of Prague was thrown into a pile of rubbish behind the altar. Here it lay forgotten for seven years, its hands broken off, until in 1637 it was found again by Father Cyrillus and placed in the church's oratory. One day, while praying before the statue, Father Cyrillus claimed to have heard a voice say,

*Have pity on me, and I will have pity on you. Give me my hands, and I will give you peace. The more you honour me, the more I will bless you.*

Since then, the statue has remained in Prague and has drawn many devotees worldwide to honour the Holy Child.

### JULY 24: YOUTH PILGRIMAGE COURAGE MAGGIE CRAIG

Equipped with humorous personal stories and dynamic authenticity, Maggie delights in bringing the message of the joys of the Gospel to parishes, schools, youth groups, and college campuses around the

country. Maggie graduated from Franciscan University of Steubenville Cum Laude with her M.A. in Theology and her B.A. in Catechetics.

"Maggie is a talented and passionate speaker who takes real-life examples and connects them to the Gospel Message. . ." "She kept our youth engaged, laughing, and on the edge of their seats."

"Maggie has impressed me with her artistic creativity, professional approach, and ability to engage people of all ages, from senior citizens to middle school students."

"She gets right to the heart of what teens and pre-teens need to hear in remaining true to the Christian values in today's culture. She is hilarious and we can't wait to have her back again!"

### Do physical and spiritual healings still happen?

In today's modern world we are submerged in the power of science and technology. Is it logical to think that miraculous stories of healing and renewal can happen? The short answer is yes. We have many proofs that demonstrate miracles do still happen. The truth is that Jesus wants to heal us in our minds, our bodies and our spirits today, just as He did when He walked the earth.

Learn about healing the family tree, effects of generational sin, how to pray for family members, spiritual warfare, purgatory, how to nurture spiritual gifts in children and more.

Effects of generational sin on a family line can include: addictions, physical illnesses, depression, suicide, mental illness, history of bizarre accidents and even demonic possession.

Fr. Mark Bozada is a spiritually gifted priest and mystic. He was ordained a priest in 1981 and has served in seventeen parishes throughout his life in St. Louis, Missouri, Oakland, California and Phoenix, Arizona. Father Mark has been in the healing ministry for many years and helped establish the St. John Paul II Institute in 2016 serving as Spiritual Director working together with physicians, nurses, clinical staff, and clergy to unite faith and science.

Father Bozada is well-qualified to speak on the mystical because he is "supersensory" and has had the experience of sensing and even seeing spirits since he was a small child. The gift developed as he encountered the demonic -- including the smell of sulfur as a boy -- and learned to pray harder. That's the negative side. He also experiences -- and sees -- angels and poor souls doing their purgatory on earth -- something that was also associated with Saint Padre Pio.

Free will giving opportunity will be offered to help cover expenses.

## ALICE KUEHN'S NURSE NOTES

June is also National Fresh Fruit and Vegetable Month. Whether from your garden, the farmer's market or the store, fresh fruits and veggies are plentiful in the summertime and good for you! For tips on how to start having more fruits and vegetables daily, go to [www.fruitsandveggiesmatter.gov](http://www.fruitsandveggiesmatter.gov). One of the most delicious ways to get your "fruits and veggies" is eating berries! And not only that, a research study in 2012 showed that eating berries at least once a week may protect the brain from age-related memory loss. A study including more than 16,000 women compared those who ate the most blueberries and strawberries to those who ate the fewest and found that those who ate the most had a slower rate of developing memory problems. The difference was equal to about two-and-a-half years of aging. "This is pretty compelling evidence to suggest that berries do appear to have memory benefits," says researcher Elizabeth E. Devore, ScD, instructor in medicine at Brigham and Women's Hospital in Boston. She noted that the biggest berry eaters in

the study weren't eating mounds of them every day. On average, they were eating a single half-cup serving of blueberries or two half-cup servings of strawberries each week. Note that the study didn't prove that berries protected the women's brains directly, but after researchers adjusted their results to account for differences like exercise and income, having a diet high in fruits and vegetables, particularly berries, still appeared to be linked to having a sharper memory. So while you are enjoying your fresh tomatoes, veggie trays with dip, ice cream, peaches, berries, and other fruits, vegetables, and dairy foods (remember June is Dairy Month), thank the Lord for these wonderful gifts. Then go find some time to visit someone you know and share a summer afternoon visit and maybe some of these wonderful summer foods with them. Call or email the office if you can help us with our Caring Neighbors ministry – more are needed! You may contact me at 636-8159x369 or via email [akuehn@saintpeterjc.org](mailto:akuehn@saintpeterjc.org)

### LOCATION OF PARISHIONERS WHO ARE HOSPITALIZED OR HOMEBOUND:

Please call or email to let us know if you or a family member is hospitalized or homebound and/or if you would like the parish nurse to call, pray with you and/or assist you with questions and health care concerns. Remember that if you or a family member moves from hospital to home or rehab center or nursing care facility, the hospital cannot tell us your location due to HIPPA regulations. Please let us know their new location. Thanks! You may contact me at 636-8159x369 or via email [akuehn@saintpeterjc.org](mailto:akuehn@saintpeterjc.org).
