for each dinner.

THE SOCIETY OF ST. VINCENT DE PAUL: Thank you to all the parishioners who have signed up with SVDP to provide a monthly dinner at the Salvation Army. We have been blessed with a good number of volunteers. All volunteers will receive an email giving more details on date and times and what is needed

Also, SVDP would like to thank all our parishioners for their continued generosity. The committee has dealt with many needs the past few months. As you can imagine, the high cost of gasoline is making it very difficult for many families to pay their bills. Through your generosity we have been able to keep electric, water, and sewer from being disconnected, as well as providing bus fair for stranded travelers, and mattresses for children. We try not to duplicate services provided by other agencies and often can refer clients to another agency that can better meet their needs. Please continue to keep those in need of assistance in your prayers.

Without your financial support, we cannot serve those in need. Thank you for your continuing generosity to support the SVDP ministry of St. Peter Church.

ALICE KUEHN'S NURSES NOTES

Fruits and vegetables are part of a well-balanced and healthy eating plan. Using more fruits and vegetables along with whole grains and lean meats, nuts, and beans is a safe and healthy one. Diets rich in fruits and vegetables may reduce the risk of some types of cancer and other chronic diseases. Fruits and vegetables also provide essential vitamins and minerals, fiber, and other substances that are important for good health. Here are some simple suggestions from the CDC on how to cut calories and eat fruits and vegetables throughout your day:

- Substitute some spinach, onions, or mushrooms for one of the eggs or half of the cheese in your morning omelet.
- Cut back on the amount of cereal in your bowl to make room for some cut-up bananas, peaches, or strawberries.
- Substitute vegetables such as lettuce, tomatoes, cucumbers, or onions for 2 ounces of the cheese and 2 ounces of the meat in your sandwich, wrap, or burrito.
- Vegetables, fruit, and whole grains should take up the largest portion of your plate. If they do not, replace some of the meat, cheese, white pasta, or rice with legumes, steamed broccoli, asparagus, greens, or another favorite vegetable. BUT remember to use a normal- or small-size plate — not a platter. The total number of calories that you eat counts, even if a good proportion of them come from fruits and vegetables.

If you have questions or concerns, you may contact me at 636-8159x469 or via email akuehn@saintpeterjc.org

HOSPITALIZED OR HOMEBOUND:**

Please let us know their new location. Thank you! You may contact me at 636-8159 x469 or via email akuehn@saintpeterjc.org.
