

**St. Peter Catholic Church
216 Broadway
Jefferson City, MO 65101**

Revised May, 2019

St. Peter's Church has a beautiful pipe organ that supports the music of our parish Liturgies. This wonderful instrument is very expensive to maintain and repairs can be very costly. To prevent unnecessary damage to our pipe organ, the policy of the parish is that the following musicians are the only musicians permitted to play the pipe organ for weddings in St. Peter Church. It is permissible for guests to use the piano without prior permission. **Exceptions to this policy must be approved by both the Pastor and the Liturgical Music Director. Both may be reached at the Parish Office at 573-636-8159.**

Musicians must be contacted at least three months prior to the wedding date. If there will be a soloist, all information must be given at this time in order for proper planning and rehearsal.

All musicians must schedule their rehearsals through the parish business manager. Arrangements need to be made for access to the church after normal business hours. If your vocalist and musician are from outside St. Peter Parish, arrangements should be made ahead of time with the Parish Music Director to ensure access to sound system equipment.
