## SACRAMENTAL LIFE

### Holy Matrimony

The first step in planning a wedding at St. Peter is to contact the Pastor. You may call to check available dates beforehand, but the wedding can only be scheduled after approval by the priest and *at least a minimum of six months* prior to the proposed wedding date. Any Catholic being married needs to have received the Sacrament of Confirmation.

### Baptism

Parental preparation is required for a child to be baptized. Please plan to attend the required class prior to your child's birth. Sessions are usually held once a quarter. Please call the Parish Office to sign up.

### Anointing of the Sick

If you are preparing for surgery, please let your priest know before you go to the hospital. Because of COVID-19, the possibility of receiving the Anointing of the Sick after you've been admitted to hospital is not guaranteed.

### RCIA—Rite of Christian Initiation for Adults

Inquiry sessions for those interested in joining the Catholic Church and receiving the Sacraments of Baptism, Confirmation and the Holy Eucharist began September 20, 2021. Please contact Deacon Ric Telthorst at (573) 690-0730 or [deacontelthorst@gmail.com](mailto:deacontelthorst@gmail.com) for more information.

Due to your generosity we exceeded last years goal. Thank you for your sacrificial response.

**Catholic**  
STEWARDSHIP APPEAL

*"Consider this: whoever sows sparingly will also reap sparingly, and whoever sows bountifully will also reap bountifully. Each must do as already determined, without sadness or compulsion, for God loves a cheerful giver."*

2 CORINTHIANS 9:6-7

This weekend we begin our Catholic Stewardship Appeal at our parish. This annual appeal is the primary source of funding for sustaining ministry and assistance for the 106 parishes and missions in the 38 counties that make up the Diocese of Jefferson City. The CSA theme, *"Consider this: whoever sows sparingly will also reap sparingly, and whoever sows bountifully will also reap bountifully. Each must do as already determined, without sadness or compulsion, for God loves a cheerful giver"* (2 Corinthians 9:6-7), encourages each of us to give back to God that which we have received. Please pray and give consideration on how you can help with this year's CSA.

**BISHOP MCKNIGHT'S  
OCTOBER PRAYER INTENTION**

**SCHOOL NEWS**

What a fun first couple of months of learning it has been in Mrs. Nikki's 3 year old preschool classroom! We have spent time learning about Noah's Ark, Daniel and the lion's den, David and Goliath and more fun Bible stories. Thank you so much for supporting our school in all that we do!

Lions and tigers and bears, oh my! Animals boarded a big boat two-by-two in Mrs. Cain's Kindergarten Classroom! Our kindergarten class learns about the promise of the Lord. The Children's Bible helped us gain deeper meaning, as we read the story of Noah's Ark in the book of Genesis. At the end of the week, students were excited to act out the scripture passage! Spreading the love of the Lord and learning all the ways God is love helps our kindergarten students grow in their faith. Spotting rainbows is popular in our classroom, as students also learned the color order for making a rainbow (ROYGBIV). They are trying to spot the name of the colors as they build rainbows with crayons, markers, and paint!

**Kindergarten Open  
House Meeting**

## ALICE KUEHN'S NURSE NOTES

**FLU SEASON IS HERE!** Influenza (the flu) is a contagious respiratory illness caused by influenza viruses. It can cause mild to severe illness, and at times can lead to death. Some people, such as young children, older people, pregnant women and people with certain long-term health conditions are at high risk for serious flu complications.

The single best way to prevent the flu is to get a flu vaccine every year. The vaccine typically is redesigned each year to contain flu virus strains expected to be prevalent during the upcoming flu season. The strains have been inactivated so that they don't cause you to get sick with flu, but will trigger your immune system to produce antibodies that can protect against influenza disease.

Seasonal flu activity can begin as early as October and continue to occur as late as May, most commonly peaking in the U.S. in January or February. The Missouri Department of Health and Senior Services and the CDC recommend

that virtually everyone six months and older get the flu vaccine before the end of October, if possible. It is especially important for children younger than 5 years of age, pregnant women, adults 65 years of age and older, people who live in nursing homes or other long-term care facilities, people who live with or care for those at high risk for complications from flu, and people with certain chronic medical conditions who are at a higher risk for developing flu-related complications.

A high-dose quadrivalent shot is approved for people 65 and older because human immune defenses become weaker with age, which places older people at greater risk of severe illness from influenza. Also, aging decreases the body's ability to have a good immune response after getting influenza vaccine. A higher dose of antigen in the vaccine is supposed to give older people a better immune response, and protection against flu.
