

Preschool Fee Structure 2022-2023

All fees are billed through FACTS; you will receive an email from FACTS once you are billed. You may pay your monthly fee all at once or split it up. The monthly fee must be paid by the due date otherwise it will automatically come out on the due date. If special payment arrangements are needed, they must be established with the St. Peter Catholic School office before your child enters the program. If your payment is returned due to insufficient funds you will be charged \$30.00 return fee. It will attempt to take it out again then you will need to pay in person at the school office. August is a full month payment as you are paying 2 weeks in advance.

Attached is a schedule of payments. Keep this schedule for your files.

Preschool follows the school calendar and monthly tuition is detailed below based on full week or partial week. Tuition includes before care, after care, lunch and snacks.
