- Meeting opened with a prayer
- Council approved and signed documents:
 - Annual Report for the Diocese FY2023-2024
 - FY2024-2025 Budget
- Council analyzed the July/August Budget Performance Report
 - It was discovered we have a few mapping issues in our GL report from Paylocity.
- Council discussed the fact that we have 482 students enrolled this school year, which is down from last year but the diocesan student enrollment, as a whole, is up.
- Lesley Smith is our interim organist, paid per weekend. The parishioners seems to be happy with the arrangement.
- We will start the distribution of the Blood of Christ the First Sunday of Advent, December 1st.
- The parish committees and staff are working toward reorganizing the defunct Safety Committee. It was encouraged that we keep potentially interested parishioners in mind.
- The Sale-A-Rama was suspended this year, due to the lack of interested vendors. The leaders plan to meet in November to discuss options for next year.
- The acoustic situation in church is being addressed. We are in the process of reaching back out to Will West to start the process. There is money earmarked for this upgrade.
- The ongoing problems with the kneelers was discussed, in hopes that a resolution will be available soon.
- Stewardship will start up soon. We are essentially starting from scratch but seem to be making good progress so far. In lieu of a Finance Council Meeting in October, we will meet with the Stewardship Committee on October 15, 2024.
- St. Joe and I.C. parishes are both down to one priest. Unfortunately, we will be seeing more of this in the diocese.
- Next Finance Council meeting, Tuesday, November 19th, 6:00pm
- Meeting ended with a prayer and a blessing from Msgr. Kurwicki
